BOLSTER SPRINGS FOR FARM WAGONS PULLIAM'S PATENT. The attention of the

trade is called to this new and valuable device as an attachment to the common farm and lui wagons of any size. The springs are made of the best oil tempered steel and warranted. They are simply attached to the bed by four bolts, and of course, go with the bed when it is lifted off the Its obvious advantages are that it saves argely from wear and tear of every part of the wagon, and removes all necessity for a spring seat. It is, of course, adapted to all makes of farm wagons, and can be
